

# emanuel tres wines

emanuel tres is based on the idea that great wines can be made simply and efficiently to provide a sense of varietal, site, vintage and appellation. Using little or no oak provides a clean and balanced starting point for wines made to accompany great foods and made to be drunk young capturing the freshness and vitality of the vineyard.

## 2011 Blanco

2011 emanuel tres “blanco” is a grenache blanc blend in the style of the great white wines made in the Catalan region in Eastern Spain. The grapes come from Camp 4 Vineyard in the Santa Ynez Valley where the warm days and cool, breezy nights combine for intense fruit components balanced with acidity providing structure and crispness on the palate.

Fermented in stainless steel and made with no secondary fermentation, this wine jumps out of the glass with fresh minerality, exotic aromatics and depth of fruit. Young and vibrant, this wine is drinking very well now, and, will have tremendous aging potential due to natural acidic structure and balance.

**BLEND: 95% Grenache Blanc, 5% Viognier. 150 cases**
